

City Stone Publishing

Indie publisher with a *passion* for the written word and a *heart* that beats for indie authors

Alistair Birch

Alistair Birch is the author of two modern action-packed thrillers, *Shadow Pursuit* and the sequel *Shadow Play*. He's also penned a darker, character driven psychological thriller set in the eighties called, *The Evil Within*. City Stone Publishing will (re-)publish his thrillers in 2023 and 2024. Not content to stop there, Alistair is currently writing a wartime thriller while considering another Shadow book and other writing projects.

Outside of the writing world, Alistair combines another job role in IT; friends often see him running around his hometown in south Oxfordshire before signing up for the occasional distance race. He loves cooking and has a cheeky side which transfers to silly rhymes, some of which he's published in his own collection.
